--SWEEPSTAKES AWARD--

A Sweepstakes Award will be given to the FFA Chapter or 4-H Group scoring the most points. Determination of the Sweepstakes Winner will be made by the following formula:

Five (5) points for 1st Place	Four (4) points for 2nd Place	Three (3) points for 3rd Place
Two (2) points for 4th Place	One (1) point for 5th Place	

Total points will be added, then divided by the total number of projects placed plus one.

The Chapter or Club with the highest score will be the Sweepstakes Winner.

(You must enter one project in at least five (5) of the six (7) divisions to be eligible for the Sweepstakes Award.)
